**Dear Resident,**

As you are aware ISG have been appointed by the DfE as Principal Contractor on the Project at Dosthill School and have been progressing works since 23<sup>rd</sup> January 2023.

The project when completed will deliver - six modern classrooms, toilet facilities & storerooms.

Once the classroom have been completed, ISG will then be required to demolish and remove three existing timber classrooms located to the rear of the school & landscape the areas upon completion.

ISG are experienced in working on schools sites which are fully operational & within close proximity to residential areas and will work to minimise disruption to both the school environment and residential community.

Good progress has been made to date and the new classroom building will be ready for pupils in the new academic year 2023.

Progress to date includes:

- New Roof
- Construction of the internal walls / Internal face of external envelope.
- Commencement of Brickwork
- Installation of new doors / windows.
- 1<sup>st</sup> fix Mechanical & Engineering

Over the next few weeks, we will be commencing with internal works to the classrooms as the building begins to take shape.

We have provided below some photographs to show progress made to date.

## About the Contractor

ISG carry out a range of works and has been trusted to deliver a diverse range of projects including refurbishments and fit outs, construction projects, interior and retail schemes as well as property development and energy solutions, across a variety of sectors.

As a regional contractor with a local supply chain, employing local people and a longstanding commitment to the local communities in which we work, we can create positive, lasting legacies for future generations.

**We ask that you talk to your children advising them that Building Sites are dangerous places and not to play on them please.**

Please do not hesitate to contact me, in the event of a query.

Regards,
