## Dosthill Primary Academy

### September 2020 - Reception Intake

On behalf of the wonderful children and staff at our school, I would like to kindly invite prospective parents to visit Dosthill Primary Academy. We are very proud of the wonderful learning that flourishes each and every day at our school; I would be delighted to show you around our warm, kind and friendly school. We are committed to ensuring that everyone in our learning family excels within a nurturing, inspiring and ambitious school climate; we can't wait to share our school with you.
